**How to Reach Sankt Georgen By Car
From the West**

- A 3 (Köln - Würzburg)
- After the Mönchhofdreieck, the autobahn expands to five lanes; take one of the two right lanes (direction "Frankfurt" or "Flughafen" / airport); you will cross under the A 3.
- For about 6 km, follow the signs to "Frankfurt" or "Stadtmitte".
- Then, quite suddenly, turn right in the direction of "Sachsenhausen"; you are now on "Mörfelder Landstraße".
- Go straight ahead (with some smaller curves) for about 6 km; the "Offenbacher Landstraße" is a continuation of the "Mörfelder Landstraße", on which you come in.
- Between the districts of Sachsenhausen and Oberrad (to your left: trees and fields) you are passing the long wall of Sankt Georgen. Do not miss the entrance with the large old gate, house number 224.
